Intelligent Transport Systems - Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors

Contents		Page
Foreword		iv
Introduction		v
1 Scope		1
2 Normative references		2
3 Terms and definitions		2
4 Abbreviated terms		2
5 Interface protocol for traffic controller		3
5.1 Relationship to other standards		3
5.2 Identification detector index		3
5.3 Detector classification		4
6 Interface messages for traffic signal controller		5
6.1 General frame structure		5
6.2 Detector information messages structure		7
Annex A (normative) Interface Protocol Message Set Definition between Traffic Signal Controllers and Detectors data structure and data type definition		16
Annex B (informative) Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors implementation example		23
Bibliography		25
