Intelligent Transport Systems - Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	2
3	Terms and definitions	2
4	Abbreviated terms	2
5	Interface protocol for traffic controller	3
5.1	Relationship to other standards	3
5.2	Identification detector index	3
5.3	Detector classification	4
6	Interface messages for traffic signal controller	5
6.1	General frame structure	5
6.2	Detector information messages structure	7
Annex A (normative) Interface Protocol Message Set Definition between Traffic Signal Controllers and Detectors data structure and data type definition		16
Annex B (informative) Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors implementation example		23
Bibliography		25
