DIN EN 15213-1:2013-08 (E)

Intelligent transport systems - After-theft systems for the recovery of stolen vehicles - Part 1: Reference architecture and terminology

Contents

Page

Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5
3.1 General definitions 5
3.2 Basic ATSVR Functions 7
3.3 Optional ATSVR Functions 8
3.4 ATSVR Services 10
3.5 ATSVR Communications 10
3.6 ATSVR Status 10
3.7 Interoperability and Compatibility 11

4 Symbols and abbreviations 11

5 ATSVR Conceptual Architecture Model 12
5.1 General 12
5.2 Functions within the process 12
5.3 Short- and Long-Range Concepts 13
5.3.1 ATSVR Operations with Short-Range Concept 13
5.3.2 ATSVR Operations with Long-Range Concept 13
