Foreword 5

11 Owner's manual and marking 22
11.1 Owner's manual 22
11.2 Marking 22

12 Test procedure 22
12.1 General note on tests 22
12.2 Resistance of protective conductor 22
12.3 Isolation resistance test 22
12.3.1 Preconditioning and conditioning 22
12.3.2 Isolation resistance measurements at the vehicle inlet or plug 23
12.4 Withstand voltage test 23
12.4.1 General 23
12.4.2 Preconditioning and conditioning 24
12.4.3 Test procedure 24
12.4.4 Test voltage 24
12.5 Inrush current tests 25
12.5.1 General 25
12.5.2 Measurement 25
12.6 Touch current 26
