European foreword ... 4
1 Scope ... 5
2 Normative references ... 5
3 Terms and definitions ... 6
4 Symbols and abbreviations ... 7
5 Conformance ... 7
6 Dual conformance of PT devices to the CEN/TS 16794 series and EMV Contactless Interface Specification ... 7
7 Interoperability of PT devices and NFC mobile devices ... 8
7.1 Description of the “concept for interoperability” ... 8
7.2 References for implementation and test of NFC mobile devices ... 9
7.3 Limitations ... 10
8 Requirements applicable to PT readers ... 10
8.1 General ... 10
8.2 Categories of PT reader ... 10
8.2.1 General ... 10
8.2.2 IFM reader ... 10
8.2.3 Common reader ... 12
8.3 Normative requirements applicable to PT readers ... 12
8.4 Specific requirements applicable to PT readers ... 13
8.5 Requirements on polling and recognizing contactless objects ... 14
8.6 Performance requirements (informative) ... 15
9 Requirements applicable to PT objects ... 15
9.1 General ... 15
9.2 Normative requirements applicable to PT objects ... 15
9.3 Specific requirements applicable to PT objects ... 15
9.4 Performance requirements (informative) ... 16
10 Implementation characteristics ... 16
10.1 General ... 16
10.2 ICS for PT readers – PCD ... 16
10.2.1 General ... 16
10.2.2 PCD product description ... 16

10.2.3 PCD general technical characteristics **17**
10.2.4 PCD supported options **17**
10.2.5 PCD test parameters **18**
10.3 ICS for PT objects - PICC **19**
10.3.1 General **19**
10.3.2 PICC product description **19**
10.3.3 PICC general technical characteristics **19**
10.3.4 PICC supported options **19**
10.3.5 PICC test parameters **20**
11 Test conditions for PT reader and PT objects **21**
11.1 General **21**
11.2 Temperature **21**
11.3 Test conditions for PT readers **22**
11.3.1 General **22**
11.3.2 Initial positions template **22**
11.3.3 Test positions **22**
11.3.4 Test mode **31**
11.4 Test conditions for PT objects **32**
11.4.1 Test positions **32**
11.4.2 Test application **33**
Annex A (informative) **Examples of polling sequences and scenarios** **35**
Annex B (informative) **Loopback interface for PT reader testing** **37**
Bibliography **38**
