ISO 15500-9:2020 (E)

Road vehicles — Compressed natural gas (CNG) fuel system components — Part 9: Pressure regulator

Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

4 Marking

5 Construction and assembly

6 Tests

6.1 Applicability
6.2 Hydrostatic strength
6.3 External leakage
6.4 Continued operation
6.5 Insulation resistance
6.6 Minimum opening voltage
6.7 Pressure impulse
6.7.1 Internal impulse
6.7.2 External impulse
6.8 Water jacket freezing
