Foreword v

Introduction vi

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Figures involved on NGVs use and operations 5
4.1 General 5
4.2 Professionals on workshop 6
4.2.1 Technical manager of workshop 6
4.2.2 Operators on workshop 7
4.3 Professionals on CNG, LNG and L-CNG fuelling station 7
4.3.1 Technical manager of CNG, LNG and L-CNG fuelling station 7
4.3.2 Operators of CNG, LNG and L-CNG fuelling station 7
4.4 Professionals on parking and garages 7

5 Requirements for figures involved on NGVs use and operation 8
5.1 Professionals on workshop 8
5.1.1 Technical manager of workshop facilities (Table 1) 8
5.1.2 Operators on workshop (Table 2) 10
5.2 Professionals on CNG, LNG and L-CNG fuelling station 12
5.2.1 Technical manager of CNG, LNG and L-CNG fuelling station 12
5.2.2 Operators of CNG, LNG and L-CNG fuelling station (Table 4) 14
5.3 Professional on parking 15

6 Training 16
6.1 General 16
6.2 Training course 17
6.3 Requirements related to the theoretical-practical professional training courses 17
6.3.1 Recognized training course 17
6.3.2 Competence of trainers 17
6.3.3 Training method 18
6.3.4 Training bodies 18
6.3.5 Training location 18
6.4 General on training for workshop professional 18
6.4.1 Technical manager of workshop 18
6.4.2 Main knowledge of the course 18
6.5 Workshop operator 19
6.5.1 Main knowledge of the course 19
6.6 Technical manager of CNG /LNG / L-CNG fuelling station 19
6.6.1 Training for technical managers of CNG/LNG/L-CNG fuelling stations 20
6.7 Operator of CNG/LNG/L-CNG fuelling stations 20
6.7.1 Training for operator of CNG/LNG/L-CNG fuelling stations 20

7 Competence assessment and qualification achievement 20
7.1 Final examination 21

8 Qualification levels 21

9 Type of qualification 21

10 Authorized qualification body 21

Annex A (normative) E-learning and e-learning requirements 23

Annex B (informative) Topics of the workshop technical manager course 27

Annex C (informative) Training for technical managers of CNG/LNG/L-CNG fuelling stations 29
