

ISO 8349:2002-04 (E)

Road vehicles - Measurement of road surface friction

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	2
4	Summary of test methods	2
5	Pavement characteristics and surface conditions	3
6	Constant-speed, transient braking force method	4
7	Constant-speed, constant-braking slip method	10
8	Constant-speed, fixed-braking slip method	16
Annex A (normative) Reference tyre specifications		22
Annex B (normative) Calibration method		27
Annex C (informative) Measurement on wet surfaces		28
Bibliography		29
