Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Signal specifications 6
4.1 Signal spectrum -- Recommendation 6
4.2 Signal levels 6

5 Coding of information 7
5.1 General 7
5.2 Temporal classification of signals -- Recommendation 7
5.3 Non-speech coding -- Tonal signals 8
5.4 Speech coding 10

6 Hierarchy of message presentation -- Recommendation 10

7 Safety critical messages 11
7.1 Requirement 11
7.2 Compliance procedure 11

Annex A (informative) Measurement conditions and equipment 12

Annex B (informative) Compliance procedure for perceptual discriminability 13
