Foreword iv

Introduction v

1 Scope 1

2 Terms and definitions 1

3 Abbreviated terms 3

4 OSI reference model 4

5 MDI specification 4
5.1 Physical medium 4
5.2 Physical signalling 8
5.3 Electrical specification 10
5.4 Network specification 12

6 Physical medium failure definition 14
6.1 Physical failures 14
6.2 Failure events 15

7 PMA specification 16
7.1 General 16
7.2 Timing requirements 16
7.3 Failure management 20
7.4 Operating modes 23
