## Paints and varnishes - Guide for the classification and selection of coating systems for wood based materials in furniture for interior use

---

<b>Contents</b>		<b>Page</b>
Foreword .....		4
Introduction .....		5
1 Scope .....		6
2 Normative references .....		6
3 Terms and definitions .....		6
4 Classification and designation .....		7
4.1 Wet properties of each coat of the coating system .....		7
4.2 Details of build .....		8
4.3 Application system .....		9
4.4 Drying and curing .....		10
4.5 Surface to be coated .....		12
4.6 Appearance .....		13
5 Properties of coating systems .....		14
6 Details to intended use and function .....		16
Annex A (informative) Examples of completed tables .....		17
Bibliography .....		27
Tables Table 1 -- Wet properties of each coat of the coating system .....		7
Table 2 -- Details of build .....		8
Table 3 -- Application system .....		9
Table 4 -- Drying and curing .....		10
Table 5 -- Surface to be coated and support .....		12
Table 6 -- Appearance .....		13
Table 7 -- Properties of coating systems .....		14
Table 8 -- Details to intended use and function .....		16
Table A.1 -- Wet properties of each coat of the coating system .....		18
Table A.2 -- Details of build .....		19
Table A.3 -- Application system .....		20
Table A.4 -- Drying and curing .....		21
Table A.5 -- Surface to be coated and support .....		23
