

# DIN EN 1168:2008-10 (E)

## Precast concrete products - Hollow core slabs (includes Amendment A1:2008)

### Contents

The numbering of clauses is strictly related to EN 13369: Common rules for precast concrete products, at least for the first three digits. When a clause of EN 13369 is not relevant or included in a more general reference of this standard, its number is omitted and this may result in a gap on numbering.
