

# DIN EN 1609:2013-05 (E)

## Thermal insulating products for building applications - Determination of short term water absorption by partial immersion

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	5
4	Principle .....	5
5	Apparatus .....	5
6	Test specimens .....	5
6.1	Dimensions of test specimens .....	5
6.2	Number of test specimens .....	6
6.3	Preparation of test specimens .....	6
6.4	Conditioning of test specimens .....	6
7	Procedure .....	6
7.1	Test conditions .....	6
7.2	Test procedure .....	6
7.2.1	General .....	6
7.2.2	Method A (drainage) .....	6
7.2.3	Method B (deduction of initial water uptake) .....	7
8	Calculation and expression of results .....	8
9	Accuracy of measurement .....	9
10	Test report .....	9
