Page

Foreword ... 3

1 Scope ... 4

2 Normative references ... 4

3 Terms and definitions ... 5

4 Designation ... 5

5 Construction documents ... 6

6 Material ... 6
6.1 Textile fabrics ... 6
6.2 Accessories ... 6

7 Manufacturing ... 7

8 Requirements ... 7

9 Verification ... 9
9.1 General ... 9
9.2 Tests ... 9
9.3 Limit state verification ... 9
9.3.1 General ... 9
9.3.2 Actions ... 10
9.3.3 Design situations ... 10
9.3.4 Design values of the component resistance for the base material ... 10
9.3.5 Design values of the component resistance for weld seams ... 11
9.3.6 Design values of the component resistance for keder attachments ... 12
9.4 Functional attachments and connections of vertical construction elements (side sections) ... 13
9.4.1 General ... 13
9.4.2 Lacing ... 14
9.4.3 Eyelet and staple connector ... 14
9.4.4 Zip ... 17

10 Marking ... 17
10.1 General ... 17
10.2 Coated fabric ... 17
10.3 Textile fabric (tarpaulin) ... 18

11 Use of tarpaulins ... 18
