European foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 General principles of extended application for fire resisting and/or smoke control door, shutter and openable window assemblies 8

5 Determination of the field of extended application 9

6 Extended application report 10

Annex A (informative) Phrases used in the EN 15269 series needing further explanation 11

A.1 General 11
A.2 `Fundamentally the same' or `similar' door leaf design 11
A.3 Product 12
A.4 Product parameter 12
A.5 Product range 12
A.6 Product family 12

Annex B (informative) Route to third party product certification using Direct Application and/or Extended Application 13

Annex C (informative) Route to CE marking using Direct Application and/or Extended Application 14

Annex D (informative) Example process for using the EXAP EN 15269 series to design fire resistance tests and produce EXAP reports 15
