

# DIN EN ISO 8560:2019-08 (E)

## Technical drawings - Construction drawings - Representation of modular sizes, lines and grids (ISO 8560:2019)

---

<b>Contents</b>		<b>Page</b>
European foreword .....		3
Foreword .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	5
4	General .....	5
5	Designations of modular sizes .....	5
6	Representation of modular lines and sizes .....	6
6.1	General .....	6
6.2	Modular and multimodular lines .....	6
6.3	Modular line in an axial position .....	6
6.4	Circle for identification of modular line .....	6
6.5	Designation of modular line .....	6
6.6	Terminations for the size of a modular zone .....	7
7	Representation of modular grids .....	7
7.1	General .....	7
7.2	Modular grid with different line intervals .....	7
7.3	Indication of modular sizes .....	7
7.4	Indication of modular zones .....	8
7.5	Indication of a change in direction of a modular grid .....	8
7.6	Indication of the displacement of a modular grid .....	9
7.7	Indication of a modular line in an axial position .....	9
8	Combination of modular sizes and work sizes on the same drawing .....	10
Bibliography .....		11
