DIN EN 17293:2020-07 (E)

Temporary works equipment - Execution - Requirements for manufacturing

Contents

Page

European foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 7

4 General 8

5 Manufacturer documentation 8
5.1 Quality documentation 8
5.2 Quality plan 8
5.3 Safety of the erection works 8
5.4 Execution documentation 8
5.5 Identification and traceability 9

6 Materials 9

7 Requirements for welding monitoring class 2 10

8 Steel components 10
8.1 General 10
8.2 Special requirements 11
8.2.1 Welding 11
8.2.2 Mechanical connections 13
8.2.3 Galvanized components 13

9 Aluminium components 13
9.1 General 13
9.2 Special requirements 14
9.2.1 Welding 14
9.2.2 Mechanical connections 15

10 Timber components 16
10.1 General 16
10.2 Glued joints 16
