Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Type W tribrachs 2
4.1 Nomenclature 2
4.2 General features -- Dimensions 3

5 Type Z tribrachs 6
5.1 Nomenclature 6
5.2 General features -- Dimensions 7

6 Requirements 9
6.1 General 9
6.2 Connection between the tribrach and the tripod 9
6.3 Torsional rigidity 9
6.4 Foot screw 10
6.5 Protection from corrosion 10
6.6 Clamp knob or clamp screw 10
6.6.1 Type W 10
6.6.2 Type Z 10
6.7 Circular level 10

7 Designation and marking 10

Annex A (informative) Recommendations for Type W tribrachs with improved stability 11
