ISO/TS 22476-10:2005-05 (E)

Geotechnical investigation and testing - Field testing - Part 10: Weight sounding test

Contents

Page

Foreword v

Introduction vi

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Equipment 1
4.1 Penetrometer tip 1
4.2 Weight loading system 2
4.3 Rods 3

5 Test procedure 3
5.1 Calibration and checks 3
5.2 Use of predrilling and casing 3
5.3 Manual weight sounding 3
5.4 Mechanised weight sounding 3

6 Test results 4

7 Report 4
7.1 Field report 4
7.2 Test report 4

Bibilography 6
