Admixtures for concrete, mortar and grout - Test methods - Part 2: Determination of setting time

Contents		Page
Foreword		3
1 Scope		5
2 Normative references		5
3 Test principle		5
4 General requirements for testing		5
4.1 Laboratory		5
4.2 Apparatus		5
4.3 Materials		6
5 Setting time test		6
5.1 Apparatus		6
5.2 Preparation of the mortar		8
5.3 Filling the mould		8
5.4 Test procedure		8
5.4.1 Determination of initial setting time		8
5.4.2 Determination of final setting time		8
5.4.3 Manual Vicat		9
6 Test report		9
Bibliography		10
