|--------------------|---|-------------|
| Foreword .....     |   | 3           |
| Introduction ..... |   | 4           |
| <b>1</b>           | <b>Scope .....</b>  | <b>5</b>    |
| <b>2</b>           | <b>Normative references .....</b>                                     | <b>5</b>    |
| <b>3</b>           | <b>Terms and definitions .....</b>                                    | <b>7</b>    |
| <b>4</b>           | <b>Requirements .....</b>   | <b>8</b>    |
| 4.1                | General .....   | 8           |
| 4.2                | Chemical and physical properties .....                                | 8           |
| 4.2.1              | General .....   | 8           |
| 4.2.2              | Contaminants and residues .....                                       | 8           |
| 4.2.3              | Contact with substances .....   | 9           |
| 4.3                | Control of contamination .....  | 9           |
| 4.3.1              | General .....   | 9           |
| 4.3.2              | Instruments supplied sterile .....                                    | 9           |
| 4.3.3              | Instruments supplied non-sterile .....                                | 9           |
| 4.4                | Construction and environmental properties .....                       | 9           |
| 4.5                | Instruments connected to or equipped with an energy source .....      | 10          |
| 4.6                | Protection against electrical risks .....                             | 10          |
| 4.7                | Protection against mechanical and thermal risks .....                 | 10          |
| 4.7.1              | Vibration .....   | 10          |
| 4.7.2              | Noise .....   | 10          |
| 4.7.3              | Electricity, gas or hydraulic and pneumatic energy .....              | 10          |
| 4.7.4              | Surface temperature .....   | 10          |
| 4.8                | Controls and indicators .....   | 11          |
| 4.9                | Clinical evaluation .....   | 11          |
| 4.10               | Marking, labelling and information supplied by the manufacturer ..... | 11          |
| 4.10.1             | General .....   | 11          |
| 4.10.2             | Symbols .....   | 11          |
| 4.10.3             | Marking .....   | 11          |
| 4.10.4             | Label .....   | 12          |
| 4.10.5             | Detachable components .....   | 12          |
| 4.10.6             | Instructions for use .....  | 12          |
|                    | of EU Directive 93/42/EEC .....                                       | 14          |
|                    | Bibliography .....  | 15          |
