Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Requirements 4
4.1 Chemical composition 4
4.2 Biocompatibility 5
4.3 Mechanical strength of laser-welded joint (tensile strength) 5
4.4 Corrosion resistance 5

5 Sampling 6

6 Preparation of specimens 6
6.1 General 6
6.2 Specimens for tensile testing 6
6.3 Specimens for corrosion testing 7

7 Testing 8
7.1 Visual inspection 8
7.2 Chemical composition 8
7.3 Tensile testing 8
7.4 Corrosion testing by static immersion 9

8 Information and instructions 10

9 Marking and labelling 10
9.1 Marking 10
9.2 Labelling 10

10 Test report 11

Annex A (informative) Quality assurance of laser welding 12
