Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Classification 5

5 Requirements 5
5.1 General 5
5.2 Specific requirements for Type 1 adhesives 5
5.3 Specific requirements for Type 2 adhesives 5

6 Sampling 6

7 Test methods 6
7.1 Test conditions 6
7.2 pH value measurement 6
7.3 Determination of stability -- Aging procedure 7
7.4 Test of washability (for Type 1 adhesives) 7
7.5 Adhesion strength test I (for Type 1 adhesives) 7
7.6 Adhesion strength test II (for Type 1 adhesives) 10
7.7 Adhesion strength test (for Type 2 adhesives) 11
7.8 Peeling test (for Type 2 adhesives) 13
7.9 Consistency test (for Type 2 adhesives) 14
7.10 Assessment 15

8 Accompanying information 16
8.1 Information to be included in the manufacturer's instructions 16
8.2 Labelling on the package 17
