Page

European foreword ... **4**

Foreword ... **5**

Introduction ... **6**

1 Scope ... **7**

2 Normative references ... **7**

3 Terms and definitions ... **8**

4 Classification ... **9**
4.1 Applicable classifications ... 9
4.2 Classification according to the degree of integration and location ... 9
4.2.1 General ... 9
4.2.2 Type A: Fully integrated ... 9
4.2.3 Type B: Remote ... 9
4.2.4 Type C: Standalone ... 9
4.3 Classification according to air flow rate ... 9

5 Requirements ... **10**
5.1 General ... 10
5.2 Protection against electric shock ... 10
5.3 Safety requirements ... 10
5.4 Electromagnetic compatibility ... 10
5.5 Utility requirements ... 11
5.5.1 Compressed air supply ... 11
5.5.2 Suction waste container ... 11
5.6 Operational requirements ... 11
5.6.1 General ... 11
5.6.2 Cleaning ... 11
5.7 Characterization of portable suction equipment flow rate performance ... 11
5.8 Maximum suction pressure ... 11
5.9 Amalgam separator ... 12
5.10 Bacterial filter ... 12

6 Sampling ... **12**

7 Measurement and test methods ... **12**
7.1 General ... 12
7.1.1 General provisions for tests ... 12
7.1.2 Reference conditions (air flow rates) ... 12
7.1.3 Atmospheric conditions ... 12
7.1.4 Other conditions ... 13
7.2 Performance tests ... 13
7.2.1 Measurement of flow rate performance ... 13
7.2.2 Measurement of maximum suction pressure of portable suction equipment types A and C ... 13
7.2.3 Measurement of maximum suction pressure of type B portable suction equipment ... 13
7.2.4 Measures to prevent excessive suction pressure ... 14
7.3 Bacterial filters ... 14

7.4 Visual inspection 14
7.4.1 Visual inspection equipment 14
7.4.2 Visual inspection of documentation 14
7.5 Resistance to solutions for the cleaning process 14
7.5.1 Principle 14
7.5.2 Test specimens 14
7.5.3 Test conditions 14
7.5.4 Solution(s) for the cleaning process 15
7.5.5 Immersion procedure 15
7.5.6 Inspection 16
8 Information supplied by the manufacturer 16
8.1 General 16
8.2 Instructions for use 16
8.3 Technical description 17
9 Marking 18
9.1 General 18
9.2 Marking on the outside of electrically operated portable suction equipment 18
9.3 Marking of packaging 18
10 Packaging 18
Bibliography 19
