DIN EN ISO 11499:2007-09 (E)

Dentistry - Single-use cartridges for local anaesthetics (ISO 11499:2007)

Contents

Page

Foreword ... 3

Introduction ... 4

1 Scope ... 5

2 Normative references ... 5

3 Terms and definitions ... 5

4 Requirements ... 5
4.1 Freedom from leakage of anaesthetic solution ... 5
4.2 Force required for plunger movement ... 6
4.3 Underfilling of cartridges ... 6
4.4 Biocompatibility ... 6
4.5 Extractable volume ... 6
4.6 External dimensions of the assembled cartridge ... 6
4.7 Colour coding ... 6

5 Test methods ... 8
5.1 Sampling ... 8
5.2 Test conditions ... 8
5.3 Visual inspection ... 8
5.4 Test for cartridge leakage ... 8
5.5 Determination of force needed for plunger movement ... 9
5.6 Size of air bubble ... 10
5.7 Extractable volume ... 11

6 Marking ... 11
6.1 Primary container ... 11
6.2 Secondary container ... 11
