DIN 3021-3:2023-06 (E)

Hose clamps - Spring band clamp - Part 3: System: Spring band clamp-hose-spigot

Contents

Page

Foreword ... 3

1 Scope ... 4

2 Normative references ... 4

3 Terms and definitions ... 4

4 System ... 4

4.1 Spring band clamp – hose – spigot ... 4

4.2 Types, dimensions, and designation of spigots ... 6

4.3 Hoses ... 11

5 System assembly ... 11

Annex A (informative) **Explanatory notes and design details** ... 14

Figures

Figure 1 — Machined metal spigots and plastic injection moulded spigots, type A (ideal form) ... 7

Figure 2 — Plastic spigots, type B ... 8

Figure 3 — Spigots for beads on piping, type C ... 9

Figure 4 — Spigots for fuel systems, type D ... 10

Figure 5 — Hose ... 11

Figure 6 — Assembly without hose stop ... 12

Figure 7 — Assembly with hose stop ... 12

Tables

Table 1 — Dimensions of spring band clamp – hose – spigot ... 5

Table 2 — Spring band clamps — Minimum assembly distances ... 13

Table A.1 — Example of nominal diameters in neighbouring assembly areas ... 14
