Castors and wheels - Requirements for castors for swivel chairs

Contents		Page
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Dimensions and classification	1
4.1	Characteristics	1
4.2	Fixing system	1
4.3	Castor type	2
4.4	Dimensions	3
5	Requirements for testing	4
5.1	General	4
5.2	Standard conditions	4
5.3	Impact performance	4
5.4	Electrical resistance test	5
5.5	Contact pressure	6
5.6	Stem retention	6
5.7	Static load performance	7
5.8	Brake performance of Type U castors	7
5.9	Dynamic test	8
5.10	Long distance running	9
5.11	Rolling resistance	10
5.12	Swivel resistance	10
6	Conformity	11
7	Marking	11
7.1	Product marking	11
7.2	Marking of electrically conductive or antistatic castors or wheels	11
	Bibliography	12
