Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Selection procedure 7

5 Task evaluation and information collection 7

6 Intermediate selection of control families 17

7 Identification of suitable control types 21

8 Additional information for the design of manual control actuators 32

Annex A (informative) Example of the use of this standard 35

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC, amended by 98/79/EC 39

Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC 40
