Ergonomics - Manual handling - Part 1: Lifting and carrying

Contents		Page
Foreword		iv
Introduction		v
1 Scope		1
2 Normative references		1
3 Terms and definitions		2
4 Recommendation		3
4.1 Introduction		3
4.2 Ergonomic approach		3
4.3 Risk estimation and risk evaluation		4
4.3.1 Manual lifting		5
4.3.2 Cumulative mass of manual lifting and carrying		6
4.4 Risk reduction		6
4.5 Additional considerations		6
Annex A (informative) Ergonomic approach		8
Annex B (informative) Examples of manual handling of objects		18
Annex C (informative) Reference mass		21
Bibliography		22
