## Ergonomics - Manual handling - Part 1: Lifting and carrying

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	2
4	Recommendation .....	3
4.1	Introduction .....	3
4.2	Ergonomic approach .....	3
4.3	Risk estimation and risk evaluation .....	4
4.3.1	Manual lifting .....	5
4.3.2	Cumulative mass of manual lifting and carrying .....	6
4.4	Risk reduction .....	6
4.5	Additional considerations .....	6
Annex A (informative) Ergonomic approach .....		8
Annex B (informative) Examples of manual handling of objects .....		18
Annex C (informative) Reference mass .....		21
Bibliography .....		22
