Ergonomics - Manual handling - Part 1: Lifting and carrying

Contents	Page
Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	1
3 Terms and definitions	2
4 Recommendation	3
4.1 Introduction	3
4.2 Ergonomic approach	3
4.3 Risk estimation and risk evaluation	4
4.3.1 Manual lifting	5
4.3.2 Cumulative mass of manual lifting and carrying	6
4.4 Risk reduction	6
4.5 Additional considerations	6
Annex A (informative) Ergonomic approach	8
Annex B (informative) Examples of manual handling of objects	18
Annex C (informative) Reference mass	21
Bibliography	22
