|-----------------------|--|-------------|
| Foreword .....        |  | iv          |
| Introduction .....    |  | v           |
| 1                     | Scope .....  | 1           |
| 2                     | Normative references .....   | 1           |
| 3                     | Terms, and definitions .....   | 2           |
| 4                     | Assessment of vehicle environments using human subjects .....                          | 2           |
| 5                     | Principles of assessment .....   | 3           |
| 5.1                   | Subjective methods .....   | 3           |
| 5.2                   | Objective methods .....  | 3           |
| 5.3                   | Behavioural methods .....  | 3           |
| 5.4                   | Assessment of thermal comfort .....  | 3           |
| 6                     | Design of human subject trials .....   | 4           |
| 6.1                   | Aim of trial .....   | 4           |
| 6.2                   | Selection of human subjects .....  | 4           |
| 6.3                   | Measurement of subject responses .....   | 4           |
| 6.4                   | Selection of operating conditions .....  | 6           |
| 6.5                   | Analysis and interpretation of results .....   | 7           |
| 7                     | Test method for assessing thermal comfort in vehicle .....                             | 7           |
| Annex A (normative)   | Test method for assessment of vehicle thermal comfort .....                            | 8           |
| Annex B (informative) | Example of single-sheet subjective questionnaire .....                                 | 10          |
| Annex C (informative) | Practical example of vehicle thermal comfort assessment using test method .....        | 11          |
| Annex D (informative) | Practical example of assessment of thermal comfort properties of vehicle glazing ..... | 13          |
| Annex E (informative) | Practical example of assessment of thermal comfort properties of vehicle seats .....   | 15          |
| Bibliography .....    |  | 17          |
