## Tissue-engineered medical products - Evaluation of anisotropic structure of articular cartilage using DT (Diffusion Tensor)-MR Imaging

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Terms and definitions .....	1
3	Principle .....	3
4	Diffusion tensor magnetic resonance imaging (DT-MRI) data observation in articular cartilage .....	3
4.1	DT-MRI measurement process .....	3
4.2	Notes on setting of DT-MRI imaging parameters for articular cartilage .....	4
4.3	Measurement indices for structural evaluation of articular cartilage by DT-MRI .....	5
Annex A (informative) Measurement Results .....		10
Bibliography .....		23
