ISO 9022-7:2015-03 (E)

Optics and photonics - Environmental test methods - Part 7: Resistance to drip or rain

Contents

Page

Foreword ..... **iv**

Introduction ..... **vi**

1 Scope **1**

2 Normative references **1**

3 General information and test conditions **1**

4 Conditioning **1**

4.1 Conditioning method 72: Drip 1

4.2 Conditioning method 73: Steady rain 2

4.3 Conditioning method 74: Driving rain 2

5 Procedure **2**

5.1 General 2

5.2 Preconditioning 2

5.3 Recovery 2

5.4 Final test 2

6 Environmental test code **3**

7 Specification **8**

Annex A (informative) **Explanatory notes** **9**
