ISO 9022-9:2016-05 (E)

Optics and photonics - Environmental test methods - Part 9: Solar radiation and weathering

Contents

Page

Foreword iv

Introduction vi

1 Scope 1

2 Normative references 1

3 General information and test conditions 1

4 Conditioning methods 2
4.1 Conditioning method 20: Solar radiation 2
4.2 Conditioning method 21: Laboratory weathering 4

5 Procedure 6
5.1 General 6
5.2 Preconditioning 6

6 Environmental test code 7

7 Specification 7

Bibliography 8
