European foreword ... **4**

Annex ZA (informative) **Relationship between this European Standard and the essential requirements of Regulation 2016/425 aimed to be covered** ... **5**

Foreword ... **7**

1 Scope ... **8**

2 Normative references ... **8**

3 Terms and definitions ... **8**

4 Construction and materials ... **10**
4.1 Construction ... 10
4.2 Filter material and surface quality ... 10
4.3 Physiological compatibility ... 10
4.4 Headforms ... 11

5 Transmittance ... **11**
5.1 Test methods ... 11
5.2 Transmittance and filter categories ... 11
5.3 General transmittance requirements ... 12
5.3.1 Uniformity of luminous transmittance ... 12
5.3.2 Requirements for road use and driving ... 13
5.3.3 Wide-angle scatter ... 13
5.3.4 Additional transmittance requirements for specific filter types ... 13
5.3.5 Claimed transmittance properties ... 15

6 Refractive power ... **17**
6.1 Spherical and astigmatic power ... 17
6.2 Spatial deviation ... 17
6.3 Prism imbalance (relative prism error) ... 17

7 Robustness ... **18**
7.1 Minimum robustness of filters ... 18
7.2 Frame deformation and retention of filters ... 18
7.3 Impact resistance of sunglasses, strength level 1 (optional specification) ... 18
7.4 Increased endurance of sunglasses (optional specification) ... 19
7.5 Resistance to perspiration (optional specification) ... 19
7.6 Impact resistance of sunglasses, strength level 2 or 3 (optional specification) ... 20

8 Resistance to solar radiation ... **20**

9 Resistance to ignition ... **21**

10 Resistance to abrasion (optional specification) ... **21**

11 Protective requirements ... **21**
11.1 Coverage area ... 21
11.2 Temporal protective requirements ... 21

12 Information and labelling ... **22**
12.1 Information to be supplied with each pair of sunglasses ... 22
12.2 Additional information ... 24

13 Selection of test samples **25**
13.1 General 25
13.2 Preparation and conditioning of test samples 25
Annex A (informative) **Use of sunglass filters** **28**
Annex B (informative) **Electro-optical sunglare filters** **30**
Annex C (normative) **Unmounted filters used as replacement or alternative filters** **32**
Bibliography **36**
