Europan foreword ... **3**

Foreword ... **4**

Introduction ... **5**

1 Scope ... **6**

2 Normative references ... **6**

3 Terms and definitions and abbreviated terms ... **6**
3.1 Terms and definitions ... 6
3.2 Abbreviated terms ... 6

4 Justification for a clinical investigation ... **7**

5 Ethical considerations ... **7**

6 General requirements ... **7**
6.1 General ... 7
6.2 Design of a clinical investigation ... 8
6.2.1 Requirements for all types of IOL ... 8
6.2.2 Additional requirements for toric IOLs (TIOL) ... 8
6.2.3 Additional requirements for Simultaneous Vision IOL (SVIOL) including MIOL, EDF and FVR lenses ... 8
6.2.4 Additional requirements for accommodating IOLs (AIOL) ... 9
6.2.5 Additional requirements for anterior chamber IOLs ... 10
6.3 Characteristics of clinical investigations ... 10
6.3.1 General ... 10
6.3.2 Characteristics to be studied for all types of IOL ... 10
6.3.3 Additional characteristics to be studied for toric IOL ... 11
6.3.4 Additional characteristics to be studied for SVIOLs ... 11
6.3.5 Additional characteristics to be studied for accommodating IOL ... 11
6.3.6 Additional characteristics applying to anterior chamber IOLs ... 11
6.3.7 Additional characteristics ... 11
6.4 Duration of the investigations ... 12
6.5 Enrolment ... 12
6.6 Bilateral implantation ... 12
6.7 Surgical technique ... 13
6.8 Examination and treatment of subjects ... 13
6.9 Adverse events reports ... 13
6.10 Inclusion and exclusion criteria ... 13
6.10.1 General ... 13
6.10.2 General inclusion criteria ... 13
6.10.3 Additional inclusion criteria for toric IOL ... 13
6.10.4 General exclusion criteria ... 14
6.10.5 Additional exclusion criteria for simultaneous vision IOL ... 14
6.10.6 Additional exclusion criteria for anterior chamber IOL ... 14

Annex A (normative) **General elements in the clinical investigation of IOLs** ... **16**

Annex B (informative) **Additional elements for the clinical investigation of toric IOLs** ... **21**

Annex C (informative) **Additional elements for the clinical investigation of simultaneous vision (SVIOL) IOLs** ... **26**

Annex D (informative) **Additional elements for the clinical investigation of accommodating IOLs** ... **34**

Annex E (informative) **Evaluation of post operative adverse events and visual acuity rates** **39**
Annex F (informative) **Clinical tests** **43**
Annex G (informative) **Statistical methods and sample size calculations** **51**
Bibliography **56**
