

ISO 5834-2:2025-07 (E)

Implants for surgery - Ultra-high-molecular-weight polyethylene - Part 2: Moulded forms

| Contents | | Page |
|--------------------|--|-------------|
| Foreword | | iv |
| Introduction | | v |
| 1 | Scope | 1 |
| 2 | Normative references | 1 |
| 3 | Terms and definitions | 1 |
| 4 | Classification, designation and coding | 2 |
| 5 | Material | 2 |
| 6 | Manufacturing requirements | 2 |
| 7 | Requirements | 2 |
| 7.1 | Physical properties | 2 |
| 7.2 | Particulate matter | 2 |
| 8 | Test methods | 3 |
| 8.1 | Test conditions | 3 |
| 8.2 | Density | 3 |
| 8.3 | Tensile testing | 3 |
| 8.3.1 | General | 3 |
| 8.3.2 | Tensile stress at yield | 3 |
| 8.3.3 | Tensile stress at break | 3 |
| 8.3.4 | Elongation at break | 3 |
| 8.4 | Notched impact strength | 3 |
| 8.5 | Sample area for particulate matter | 3 |
| 9 | Identification marking | 3 |
| 10 | Test certificate | 4 |
| 11 | Labelling | 4 |
