

DIN ISO 10110-11:2026-06 (E)

Optics and photonics - Preparation of drawings for optical elements and systems - Part 11: Non-toleranced data (ISO 10110-11:2025)

Contents

Page

Foreword..... iv

Introduction..... vi

1 Scope..... 1

2 Normative references..... 1

3 Terms and definitions..... 1

4 Default values for non-toleranced data..... 2

 4.1 Background..... 2

 4.2 Application of default tolerances..... 2

 4.3 Table of default tolerances..... 2

 4.4 Cases in which default tolerances are not provided..... 3

 4.4.1 General..... 3

 4.4.2 Effective aperture..... 4

 4.4.3 Laser irradiation damage threshold..... 4

Bibliography..... 5
