## Optics and photonics - Environmental test methods - Part 7: Resistance to drip or rain

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		vi
1	Scope .....	1
2	Normative references .....	1
3	General information and test conditions .....	1
4	Conditioning .....	1
4.1	Conditioning Method 72 -- Drip .....	1
4.2	Conditioning Method 73 -- Steady rain .....	2
4.3	Conditioning Method 74 -- Driving rain .....	2
5	Procedure .....	2
5.1	General .....	2
5.2	Preconditioning .....	2
5.3	Recovery .....	2
5.4	Final test .....	2
6	Environmental test code .....	3
7	Specification .....	7
Annex A (informative) Explanatory notes .....		9
Bibliography .....		12
