

# DIN EN 13544-3:2010-01 (E)

## Respiratory therapy equipment - Part 3: Air entrainment devices (includes Amendment A1:2009)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
1	Scope .....	4
2	Normative references .....	4
3	Terms and definition .....	4
3.1	Air entrainment device .....	4
4	Oxygen supply .....	4
5	Connections .....	4
5.1	Oxygen supply inlet .....	4
5.2	Air inlet attachments .....	5
6	Delivered oxygen concentration .....	5
7	Marking and identification .....	5
7.1	Marking .....	5
7.2	Colour coding .....	6
8	Information supplied by the manufacturer .....	6
9	Usability .....	7
10	Clinical evaluation .....	7
Annex A (normative) Method of test for delivered oxygen concentration .....		8
Annex B (informative) Rationale .....		11
Annex C (informative) Colour coding .....		12
Annex ZA (informative) "Relationship between this European Standard and the Essential Requirements of EU Directive 93/42/EEC" .....		13
Bibliography .....		14
