Foreword 3

Introduction 4

1 Overview 5
1.1 Scope 5
1.2 Purpose 5

2 Normative references 6

3 Definitions, acronyms, and abbreviations 6
3.1 Definitions 6
3.2 Acronyms and abbreviations 8

4 Clinical connectivity context 9
4.1 Clinical Point-of-Care deployment diagram 9
4.2 Use of normative references 10
4.3 High-level intent 10
4.4 Mapping "PoC reference points" to "high-level intent" 11
4.5 Compliance with other standards 12

5 Marking and cabling 12
5.1 Port marking 12
5.2 Cable and connector marking 13
5.3 Cabling requirements 13

6 IEEE 11073-30400 feature group definition 14
6.1 Section-level summary 14
6.2 Clause/annex level mapping 14

Annex A (informative) Bibliography 34

Annex B (informative) IEEE list of participants 35
