Foreword 3

Introduction 4

1. Overview 5
1.1 Scope 5
1.2 Purpose 5
1.3 Audience 6
1.4 Context 6

2. Normative references 7

3. Definitions, acronyms, and abbreviations 7
3.1 Definitions 7
3.2 Acronyms and abbreviations 8

4. Introduction to IEEE Std 11073-10102 9
4.1 Clinical background 9

5. Nomenclature requirements 11
5.1 Overview 11
5.2 Scope requirements 11
5.3 Organizational structure requirements 11
5.4 Semantic requirements 11
5.5 Distribution format requirements 11

6. Nomenclature structure 12

7. Conformance .....

8. Extensibility and versioning 14

Annex A (normative) Base terms 15

Annex B (normative) Expanded terms and numeric codes 72

Annex C (informative) Schema and XML for annotated ECG nomenclature 96

Annex D (informative) Cross-references to other ECG standards 173

Annex E (informative) Bibliography 179

Annex F (infromative) IEEE list of participants 181
