|--------------------|--|-------------|
| Foreword .....     |  | iv          |
| Introduction ..... |  | v           |
| 1                  | Scope .....  | 1           |
| 2                  | Normative references .....                             | 1           |
| 3                  | Classification .....                                   | 1           |
| 4                  | Shape and dimensions .....                             | 2           |
| 5                  | Designation .....                                      | 3           |
| 6                  | Material .....   | 3           |
| 7                  | Performance requirements .....                         | 4           |
| 7.1                | General .....  | 4           |
| 7.2                | Physical requirements .....                            | 4           |
| 7.2.1              | Hardness .....   | 4           |
| 7.2.2              | Penetrability .....                                    | 4           |
| 7.2.3              | Fragmentation .....                                    | 4           |
| 7.2.4              | Self-sealing and aqueous solution tightness test ..... | 4           |
| 7.2.5              | Dye solution tightness test .....                      | 4           |
| 7.2.6              | Resistance to ageing .....                             | 4           |
| 7.3                | Chemical requirements .....                            | 4           |
| 7.4                | Biological requirements .....                          | 4           |
| 7.5                | Particulate contamination requirements .....           | 5           |
| 8                  | Labelling .....  | 5           |
| Bibliography ..... |  | 6           |
