Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Structure and dimension of intradermal acupuncture needles 2
4.1 Size designation 2
4.2 Structure and dimension of intradermal granule type needle 3
4.2.1 Structure of intradermal granule type needle 3
4.2.2 Dimension of intradermal granule type needle 3
4.3 Structure and dimension of intradermal thumbtack type needle 4
4.3.1 Structure of intradermal thumbtack type needle 4
4.3.2 Dimension of intradermal thumbtack type needle 4

5 Materials 5
5.1 General 5
5.2 Body of intradermal acupuncture needle 5

6 Performance requirements 5
6.1 Appearance and cleanliness 5
6.2 Drawing strength 5
6.3 Hardness of the needle body 6
6.4 Intensity and puncture performance of the needle tip 6
6.5 Sterility 6

7 Packingandidentification 6
7.1 Primary packaging 6
7.1.1 Packing method 6
7.1.2 Identification 6
7.2 Secondary packaging 7
7.2.1 Packing method 7
7.2.2 Identification 7
