4. Terms and definitions 2

5. Symbols (and abbreviated terms) 2

Annex A (normative) Nomenclature semantics 4
A.5 Nomenclature, data dictionary, and codes for vital signs devices (Block A) 5
A.6 Terminology and codes for units of measurement (Block B) 8
A.7 Nomenclature, data dictionary, and codes for metrics (measurements and enumerations) (Block C) 14
A.7.3 Nomenclature and codes for hemodynamic monitoring measurements 14
A.7.4 Nomenclature and codes for respiratory, ventilator and anesthesia measurements 17
A.7.4.18 Gas concentration and partial pressure measurements 17
A.7.4.19 Inspiratory breath type classification 18
A.7.4.20 Nomenclature and code table 20
A.7.4.21 Nomenclature and codes for nebulizers 59
A.7.5 Nomenclature, data dictionary, and codes for common blood-gas, blood, urine, and other fluid chemistry measurements 61
A.7.8 Nomenclature, data dictionary, and codes for neurological monitoring measurements 64
A.7.11 Nomenclature and code extensions for miscellaneous measurements 66
A.7.11.7 Body Weight and Surface Area 67
A.7.12 Nomenclature and code extensions for infant incubator and warmer microenvironments 67
A.7.13 Nomenclature and code extensions for personal health devices 69
A.8 Nomenclature, data dictionary, and codes for body sites (Block D) 72
A.8.1 Sites for EEG-electrode placement on the head 72
A.11 Information attributes to support IHE PCD DEC and PCHA Continua WAN 73
A.11.1 Information attributes to support IHE PCD Alert Communication Management 73
A.11.2 Infrastructure attributes to support PCHA/Continua WAN and IHE PCD DEC 73
A.11.3 Information attributes to support PCHA/Continua WAN 74
A.11.4 Information attributes to support IHE PCD DEC and PCHA/Continua WAN timekeeping 75
A.11.5 Information attributes to support semantics defined by this standard 77

Annex C (normative) Terms and codes 78
C.1 Overview 78
C.2 Discriminator sets 78
C.3 Terms and discriminators 80

Annex D (informative) Breaths and inflations 97

Annex E (informative) Respiratory, ventilator, and anesthesia reference ID naming conventions 98

Annex F (informative) Anesthesia ventilation and breathing circuits 100
F.1 Bellows driven on expiratory side 102
F.2 Piston driven on inspiratory side 103
F.3 Mapleson circuits 104

Annex G (informative) Bibliography 105
