ISO 18250-6:2019 (E)

Medical devices — Connectors for reservoir delivery systems for healthcare applications — Part 6: Neural applications

Contents

Foreword

Introduction

1 *Scope

2 Normative references

3 Terms and definitions

4 *Neural reservoir outlet port connector

5 *Neural giving set inlet port connector

Annex A (informative) Rationale

A.1 Scope
A.2 Clause 4 and Clause 5

Annex B (informative) Summary of design history of connectors for neural reservoirs

B.1 Summary of the engineering analysis of the design
B.2 CAD process
B.3 Summary of Design Verification
B.4 Summary of Design Review
