Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Structure and dimension of roller-type dermal needle 3
4.1 Size designation 3
4.2 Structure and dimension of roller-type dermal needle 3
4.2.1 Structure of roller-type dermal needle 3
4.2.2 Dimensions of roller-type dermal needle 4

5 Materials 5
5.1 General 5
5.2 Needle body 5
5.3 Handle and roller head 6

6 Performance requirements 6
6.1 Appearance and cleanliness 6
6.1.1 Needle body and needle tip 6
6.1.2 Handle 6
6.1.3 Roller 6
6.2 Surface treatment of needle body 6
6.3 Puncture performance of needle tip 6
6.4 Hardness of needle body 6
6.5 Resistance to corrosion 6
6.6 Sterility 6

7 Packagingandidentification 7
7.1 Primary packaging 7
7.1.1 General 7
7.1.2 Packing method 7
7.1.3 Identification 7
7.2 Secondary package 7
7.2.1 Packing method 7
7.2.2 Identification 8

8 Transit and storage 8
8.1 Transit 8
8.2 Storage 8
