Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Symbols 3

5 Dimensions 4
5.1 General 4
5.2 Vials without sealing ring 4
5.3 Vials with sealing ring 7

6 Materials 10

7 Requirements 10
7.1 General requirements 10
7.2 Physical requirements 10
7.2.1 Vertical force 10
7.2.2 Particulate contaminations 10
7.3 Chemical requirements 11
7.4 Sterilization 11

8 Marking of the vial 11

9 Packaging options 11
9.1 General packaging requirements 11
9.2 Packaging for nonsterile glass vials 11
9.3 Ready to sterilize or sterile glass vials 11

Annex A (informative) Snap-on considerations 13

Annex B (informative) Tightness test 15

Annex C (informative) Inner depth measuring 16

Annex D (normative) Vertical force measurement test method 17

Annex E (informative)Exampleofapackagingconfiguration 19
