|--------------------|--|-------------|
| Foreword .....     |  | iv          |
| Introduction ..... |  | v           |
| 1                  | Scope .....  | 1           |
| 2                  | Normative references .....                         | 1           |
| 3                  | Terms and definitions .....                        | 1           |
| 4                  | Lithium-ion batteries .....                        | 3           |
| 4.1                | Battery performance and safety requirements .....  | 3           |
| 4.1.1              | General .....                                      | 3           |
| 4.1.2              | Fire .....   | 4           |
| 4.1.3              | Battery cyclic endurance .....                     | 4           |
| 4.2                | Requirements for battery management systems .....  | 4           |
| 4.2.1              | General .....                                      | 4           |
| 4.2.2              | Functional requirements .....                      | 5           |
| 4.2.3              | Electromagnetic compatibility (EMC) .....          | 5           |
| 4.2.4              | Climatic tests .....                               | 5           |
| 5                  | Requirements for the battery charging system ..... | 6           |
| 5.1                | Charger connector .....                            | 6           |
| 5.1.1              | General .....                                      | 6           |
| 5.1.2              | XLR battery charger connector .....                | 6           |
| 5.1.3              | XLR wheelchair charger connector .....             | 6           |
| 5.2                | Battery charger function .....                     | 7           |
| 5.2.1              | Requirements .....                                 | 7           |
| 6                  | Instructions for use .....                         | 8           |
| 6.1                | Battery charger .....                              | 8           |
| 6.2                | Battery .....                                      | 8           |
| 7                  | Battery labelling .....                            | 9           |
| 8                  | Test report .....                                  | 9           |
| Bibliography ..... |  | 10          |
